Tour description:

We drive through Berufjörður from Djúpivogur, to Breiðdalur, over Breiðdalsheiði and back down Öxi into Berufjörður. An educating and easy tour. On the trip:

- The Eggs in Gleðivík
- Rakkaberg (church of the hidden people)
- Perhaps the sighting of reindeer, information about the wildlife in the area.
- Beautiful waterfalls in Fossárdalur
- Sealwatching in Berufjörður
- Lunch stop at the farm Berunes (1 hour). The residents guide you around the old farm and church. Traditional Icelandic food in a cosy restaurant.
- The Streyti spit with lighthouse.
- The small village Breiðdalsvík
- Drive through the beautiful valley of Breiðdalur and amazing Öxi mountain road
- Teigarhorn, one of the best known finding places of zeolites. The minerals viewed in situ as well as in the stone museum.
- Bóndavarða and hear about the Turkish abductions and Papey island
- Lots of storytelling on the way and at every stop
